### Google-meeting 13-08-2020@16:00h (3<sup>rd</sup> SEM distribution of elective courses and project work distribution) of Academic and Administrative Committee for Department of Physics

On 13<sup>th</sup> August 2020, a meeting of AAC through Google meet was convened with the agenda of elective courses distribution and project work distribution for upcoming 3<sup>rd</sup> semester. The meeting invitation was arranged and coordinated by Dr. Ashok Kumar. Such mode was adopted towards the safety measures due to COVID-19 pandemic.

Following members were present in the meet:

- |                               |                                    |
|-------------------------------|------------------------------------|
| 1. Dr. Prashant S. Alegaonkar | Associate Professor and Head       |
| 2. Dr. S. K. Mahapatra        | Professor                          |
| 3. Dr. Surender K. Sharma     | Associate Professor                |
| 4. Dr. A. L. Sharma           | Assistant Professor (absent)       |
| 5. Dr. Kamlesh Yadav          | Assistant Professor                |
| 6. Dr. Ashok Kumar            | Assistant Professor (Member Secy.) |
| 7. Dr. K. K. Mondal           | DST Inspire Faculty                |

**Agenda of meeting** : Elective course and project work distribution for the upcoming 3<sup>rd</sup> semester student (September-2020; COVID 19).

**Reference** : Departmental agenda.

**Preamble** : As per the reference and agenda points.

The faculty members of the department discussed the above agenda points in detail and following points were noted:

- 1) Department has floated three course and students of 3<sup>rd</sup> semester has to choose the floated elective courses. In addition, student may opt for MOOC and another department course. In view of this, the point was discussed about number of students per elective course.
- 2) The point was discussed about, supervisor distribution. assigned uniformly for project work across the 3<sup>rd</sup> semester batch. If some more students come from Computational Physics then the situation can be handled, accordingly.
- 3) The discussion was made on how to distribute the students for departmental elective courses. Last times format can be adopted. Specialization to be asked to the students.

#### **Resolution:**

1. It was unanimously resolved to make student distribution data sheet for 3<sup>rd</sup> semester students for elective subjects.
2. It was suggested that, for newly joined faculties, the area of specialization in which interested students can opt a project to be shared.
