# WORKSHOP ON CAPACITY BUILDING for E-CONTENT / MOOC'S DEVELOPMENT

## September 21-22, 2023

### About the University

The Central University of Punjab, Bathinda is established in 2009 along with other new Central Universities by an Act of Parliament (No 25, of 2009). The University is accredited with 'A+' grade from NAAC. The Central University of Punjab is the youngest university that has secured top 100 Rank in the University category in NIRF Ranking constantly since last five years. It is credited with highest per capita research funding. The university has a mission of providing a wide range of instructional and research facilities across integrated and cross-disciplines, promote innovation in teaching, learning and research, and cross-pollinate new ideas, new technologies and new world-views. It aims to create an ignited workforce responsive to regional, national and global needs in tune with the requirements of academia, industry and business.

### Workshop Objectives

The workshop will create an awareness of ICT enabled teaching learning environment among the participants and capacity building for designing and developing e-content on different subjects. The focus of the workshop is to engage the participants in hands-on training to use different tools for e-content development and enhance their skills as per the mandates of NEP 2020.
