1. As a Physics student. We need more mathematical attitude with quality literature in balanced manner.
2. Experimental learning is good in this institution.

1- No flexible curriculum
2- UGC NET centred approach should be optional because everybody don't want to enroll in PhD
3- Teacher should use ICT tools in an effective manner not merely a boring lecture cum discussion methods.

For better implementation of our knowledge in our daily life we need more practical and latest field knowledge.
